

MAPMG Physician Research Scholars Program
2027-2028 Physician Attestation

PERMANENTE MEDICINE®
 Mid-Atlantic Permanente Medical Group

INSTRUCTIONS FOR PHYSICIAN ATTESTATION

- Share the MAPMG Physician Research Scholars Program Overview and discuss your intent to apply with your Service Chief.
- Complete the Physician Attestation below.
- Forward the Service Chief Attestation form to your Service Chief and ask them to complete and return to you.
- Email your intent to apply to physicianresearchscholars@kp.org and attach both Attestations and your most recent/up-to-date CV. CV should highlight prior publications, research experiences, and/or specific research training/education. Please cc your Service Chief on the notice of intent to apply.
- **Notice of Intent to Apply, Attestations, and CV are due by Friday, February 27, 2026 (Close of Business).**

PHYSICIAN ATTESTATION

The Physician Research Scholars Program provides dedicated time for research activities. Scholars are expected to engage with the research team and participate in program activities. It is important for the Physician to understand the time commitment and agree to the principles of the program. Program specifics, including dedicated research time allowed, are provided in the MAPMG Physician Research Scholars Program Overview.

Please read and answer the following questions.

I. Will you attest to adhering to the program eligibility and participation requirements throughout the two (2) year Scholar period of performance?

YES
 NO

II. Will you commit to engaging with members of the research department to discuss, scope, and outline your research idea?

YES
 NO

III. Will you commit to submitting as a minimum one (1) peer reviewed conference abstract and one (1) peer reviewed publication within the two (2) year Scholars period with the support of the MAPRI staff?

YES
 NO
